

Returns & Refunds Policy

Effective Date: 1st June 2026

Thank you for purchasing tickets through atthepeak.org ("we," "us," "our"), operated by Connect Institute Limited, a company incorporated in Hong Kong.

1. General Policy. All ticket sales are final. Once your order is confirmed, tickets cannot be refunded, exchanged, or transferred except as described in this policy or as required by the laws of the Hong Kong Special Administrative Region. Please review your order carefully — event date, time, venue, ticket category, and quantity — before completing payment. Hong Kong law does not provide a statutory cooling-off period for online ticket purchases.

2. Cancelled Events. If an event is cancelled in its entirety and not rescheduled, you will receive a full refund of the ticket face value to your original payment method within 14 business days of the cancellation announcement. If you have not received your refund within this period, contact us at atthepeak@connecthk.org.

3. Postponed or Rescheduled Events. If an event is postponed or rescheduled (including due to typhoon, black rainstorm warning, or other circumstances beyond the organiser's control), your tickets remain valid for the new date. If you cannot attend the new date, you may request a refund within 14 days of the rescheduling announcement by contacting atthepeak@connecthk.org.

4. Adverse Weather. For outdoor events, if the Hong Kong Observatory issues a Typhoon Signal No. 8 or above or a Black Rainstorm Warning and the event is cancelled or curtailed as a result, refund arrangements will be announced by the organiser and communicated to ticket holders by email. If the event proceeds as scheduled despite adverse weather, no refund will be given for non-attendance.

5. Non-Refundable Circumstances. Refunds will not be issued for: inability to attend for personal reasons; dissatisfaction with the event; late arrival or denied entry due to breach of venue or organiser rules; or tickets purchased from unauthorised resellers.

6. Duplicate or Erroneous Charges. If you believe you were charged in error or made a duplicate purchase, contact [support email] within [48 hours] and we will investigate in good faith.

7. Refund Processing. Approved refunds are issued in Hong Kong dollars (HKD) to the original payment method only, typically within [5–10] business days of approval, subject to your card issuer's processing times. Booking and handling fees are [refundable / non-refundable].

9. Statutory Rights. Nothing in this policy limits your rights under the Sale of Goods Ordinance (Cap. 26), the Supply of Services (Implied Terms) Ordinance (Cap. 457), the Trade Descriptions Ordinance (Cap. 362), or other applicable Hong Kong legislation.

Shipping & Ticket Delivery Policy

Effective Date: 1st June 2026

1. Delivery Methods. Most tickets sold on atthepeak.org are delivered electronically. E-tickets and mobile tickets are sent to the email address provided at checkout, typically within 15 minutes of payment confirmation, and can also be accessed through your account. For selected events, physical tickets may be shipped or collected in person.

2. E-Ticket Delivery. You are responsible for providing an accurate email address. If your tickets have not arrived within 2 hours, check your spam/junk folder, then contact atthepeak@connecthk.org. Each e-ticket contains a unique QR code or barcode — do not share images of your ticket, as only the first scan will be admitted at the venue.

3. Physical Ticket Delivery (Hong Kong). Where offered, physical tickets are dispatched via physical ticket purchase booth, which would be announced in due course during ticketing period.

4. International Delivery. For customers outside Hong Kong, physical delivery is not available. We recommend overseas customers select e-ticket delivery.

5. Box Office / Venue Collection. Some events offer ticket collection at the venue. You must present the payment card used for the purchase and valid photo identification (e.g., HKID card or passport) matching the name on the order.

6. Failed or Delayed Delivery. We are not responsible for delivery failures caused by incorrect details supplied at checkout. If you do not receive a ticket contact atthepeak@connecthk.org at least 72 hours before the event and we will arrange reissue or venue collection where possible.

7. Delayed Ticket Release. Some organisers withhold ticket release until closer to the event date to combat fraud and scalping. Where this applies, it will be indicated at checkout, and tickets will be delivered no later than 48 hours before the event.
